

EAST MILTON ELEMENTARY

Parent-Student-Teacher-School Compact

2019-20

East Milton Elementary promotes a loving, caring environment that is richly enhanced through parental involvement. This compact is a promise to work together. We believe this compact will be fulfilled by our combined efforts. We believe if our parents, students, teachers, and school join in partnership, we can increase student achievement and the motivation to learn.

As an **EME Parent/Guardian**, you are encouraged to be involved in all aspects of your child's education by

- Insisting on regular school attendance by your child;
- Having your child to school on time;
- Volunteering at the school;
- Communicating regularly and respectfully with classroom teachers, administrators, and staff;
- Encouraging your child to value school and educational opportunities;
- Reading and talking to your child each day;
- Providing proper health care to meet your child's physical and mental needs;
- Working with the school in promoting good discipline practices;
- Advocating safety and courtesy when dropping off and picking up children;
- Taking a greater interest in your child's free time and friends;
- Attending school functions;
- Reviewing available resources and investigating new opportunities to increase resources;
- Recognizing that grades are commensurate with effort and encouraging your child to set goals;
- Monitoring your child's digital communication for safety and appropriateness; and
- Adhering to school safety protocols.

Parent/Guardian Signature

As an **EME Student**, you are encouraged to

- Come to school every day unless you are sick;
- Be on time and ready for class;
- Respect equipment, materials, and supplies;
- Use respectful communication with peers and adults;
- Accept responsibility for your choices;
- Always do your best;
- Show respect to others, yourself, your parents, and staff at EME;
- Look for ways to settle disagreements without violence;
- Work cooperatively with others;
- Obey school and bus rules;
- Review and revise your future story, resources, and responsibility for school success;
- Serve as an example to your fellow classmates by demonstrating good character, responsibility, and advocacy;
- Set appropriate goals and work to achieve those goals;
- Report unsafe comments or situations to an adult;
- Contribute to a bully-free environment; and
- Adhere to school safety protocols.

EAST MILTON ELEMENTARY
Parent-Student-Teacher-School Compact
2019-20

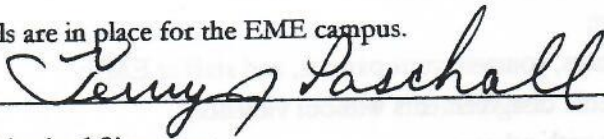

As an **EME Teacher**, I will

- Provide an environment conducive to learning;
- Provide meaningful and appropriate activities for learning that include problem solving, higher-order thinking, and improvement skills that will prepare students for college and career readiness;
- Show respect for each child and his/her family and listen to issues they believe to be important;
- Demonstrate professional behavior, dress, and actions;
- Enforce school and classroom rules in a consistent manner;
- Communicate regularly and respectfully with students and parents;
- Provide children and parents with appropriate and timely feedback;
- Accept responsibility for my choices;
- Teach appropriate, formal communication skills for success in the work environment; and
- Adhere to safety protocols.

Teacher Signature

As **EME**, knowing that learning takes place where there is a combination of effort, interests, and motivation, we will

- Implement a challenging curriculum to meet student needs and encourage success for all students;
- Maintain the Parent Resource Center
- Promote regular and respectful communication between parents, teachers, and the school;
- Provide information on community services and organizations that work with our school and our families;
- Serve to facilitate the incorporation of community resources into education and awareness for parents and students;
- Seek ways to involve parents and families in the school;
- Maintain a safe, clean, appropriate environment for learning for all students;
- Work together as a community to provide opportunities for students and families of EME;
- Provide regular student progress reports, utilize data, and teach the meaning and importance of this data;
- Provide training opportunities to families to enhance all students' educational experiences and knowledge of available resources; and
- Establish and ensure safety protocols are in place for the EME campus.
